## PROJECT PTSG and Sainsbury's

## PTSG and Sainsbury's

In a partnership beginning in July 2023, Trinity Fire & Security – part of Premier Technical Services Group Ltd (PTSG) – has helped to transform the delivery of fire and life safety systems for Sainsbury's.

Sainsbury's wanted the highest level of competent delivery and compliance assurance in their life safety systems. This is one of PTSG's fields of expertise, with PTSG Fire Solutions Ltd being the largest and fastest-growing of the Group's five independent business divisions.

Sainsbury's wanted the highest level of competent delivery and compliance assurance in their life safety systems.

PTSG has been supplying, installing, and maintaining fire detection and alarm systems, ranging from standalone conventional systems to multi-site networked addressable fire detection systems for many years.

The Group is proud to hold several prestigious third party accreditations including LPS1014 and BAFE SP201. Its public address & voice alarm systems (PA/VA) to meet the stringent requirements of BS5839-8 2013 & BS EN-54.

In addition, and by working in partnership with industry-leading manufacturers including Gent, Notifier, Hochiki, Baldwin Boxall, Global Fire Alarm Equipment, Advanced, Kentec, Haes and Apollo, PTSG is able to offer wide ranging experience in open and managed protocol systems, providing total peace of mind for its clients' ongoing maintenance requirements.

PTSG is able to offer wide ranging experience in open and managed protocol systems, providing total peace of mind for its clients' ongoing maintenance requirements.

PAVA systems offer the quickest means of evacuating large volumes of people out of a dangerous situation by providing a clear and recognisable voice alarm message. PA/VA systems are typically used in large public and high-rise buildings (over four floors) and PTSG's wide-ranging experience has grown by completing projects in major sites such as hospitals, shopping centres and large educational establishments.

J Sainsbury plc, trading as Sainsbury's, is a British supermarket and the second-largest chain of supermarkets in the United Kingdom. Founded in 1869 by John James Sainsbury with a shop in Drury Lane, there are now over 1,400 shops in the UK.

For the partnership with Sainsbury's, PTSG's focus is on the supply, installation and commission of new fire alarms and voice alarms, as well as planned preventative maintenance (PPM) of assets throughout the Sainsbury's estate.
